

Lowest Cost of Ownership

Stretch Your Purchasing Power with **TRUE RENEW.™**

Transformations Furniture can help CFOs stretch their spending power with our patented **TRUE RENEW.™** construction and procurement partnership. Transformations manufactures furniture products with industry-leading quality and the lowest cost of ownership.

- Our **TRUE RENEW.™** construction allows you to extend the life of your furniture
- Refresh your fabrics every 4 to 5 years rather than buying new
- Replace damaged furniture components rather than buying new
- Our **TRUE RENEW.™** construction leads the industry with quality workmanship, materials and warranties
- Purchase from Transformations on the E&I Contract and receive member benefits

Compare the cost of buying Transformations **TRUE RENEW.™** construction with other competitors. While the initial cost to purchase Transformations may be slightly higher, you will profit from industry-leading quality and lowest cost of ownership in the first renew cycle.
